THE CROSS COUNTRY PARISHES
OF
ACTON, CHURCH MINSHUL,
WETTENHALL & WORLESTON

Dear Friends

A wounded, risen Saviour

An early Spring means that it looks very much like Easter already. From my study I can see daffodils in full bloom all over Acton churchyard. Yet falling as it does on 21 April, Easter Day is late this year (it can be as late as 25 April or as early as 22 March). That means that much of the April Magazine falls in the period of Lent known as Passiontide. That

gives us opportunity to think not just about the triumph of Easter, but also the suffering of Jesus' passion during Holy Week; his journey to Jerusalem; his triumphal entry into the city; the days leading up to his crucifixion. It is tempting in our culture to skip over the events of Holy Week. It is challenging, even painful to walk closely with Jesus during those days. It is much easier to look forward to the joy and celebration of Easter Day and not to worry about the challenge of Maundy Thursday and Good Friday, especially as they inconveniently fall in the working week.

As a society, we do not like to consider suffering and pain. Thankfully the wonders of modern medicine mean that physical pain is more easily controlled for many people, although medicine finds mental and emotional pain more difficult to relieve. Death is frequently seen as defeat.

Passiontide and Easter challenge those attitudes. If we can walk through the events of Holy Week with Jesus, before we arrive at the joy and celebration of Easter, we will discover a depth to our Easter celebrations which is missed when Passiontide is avoided.

Without the suffering of Jesus in Holy Week, Easter Day becomes a brief, happy occasion. When we walk with Jesus through Holy Week, we can discover with 'Doubting Thomas' that the risen Jesus still bears the wounds of his suffering. When we discover that, Easter can be transformed.

When we see the wounds in the hands, feet and side of the risen Jesus, we can discover that our Easter celebrations are no fleeting, moment of happiness. They are occasions of deep joy. Joy which is deep enough to encompass not only our happiness, but our own suffering and painful life experiences.

As we celebrate Easter, we celebrate with joy the presence of our risen Saviour. But if it is to be a truly joyful celebration, we must first walk through Holy Week.

Yours in the joy of our risen wounded Saviour,

Revd Anne

A

Happy Easter

Looking Forward

On the 5th May at 11am Bishop Peter will be joining us for a Confirmation Service. Currently there are three young people taking part in Confirmation preparation. We hold Thomas & Eleanor Platt and Sophie Bowes in our prayers as they consider taking the next step on their journey of faith.

St David's Patronal Festival

It was lovely to welcome our friends from the Cross Country Parishes to join us in celebrating our Patron Saint. The church looked beautiful, as the windows of daffodils reminded us that Spring is on the way! As we remembered St. David's words to 'Do the little things', two of our young people volunteered to help out in the community as they work towards achieving their Duke of Edinburgh Bronze Award. We look forward to supporting Phillippa Moss & Izzy Gray in this project. The Brownies, Poppy & Georgina told us about all the fun things they did for Holland's Thinking Day. Following the service we enjoyed a veritable feast of wine, savouries & sweets. Many thanks to all who helped to make this such a special occasion with colourful decorations, delicious food and sharing in our worship.

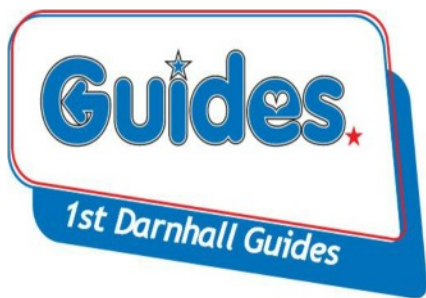

Darnhall Brownies

Congratulations to young leader Megan Curbishley who has received an unconditional offer at St. John's, York University and will be studying International Business Management. Well Done Megan!

Darnhall Brownies have had an exciting time over the past few weeks. Evenings have been spent creating posies of tulips and making windmills to fit with their theme of Thinking Day in Holland. They sang Dutch songs & tasted Edam cheese. To mark the start of Lent, they enjoyed making (and eating!) lemon & sugar or nutella pancakes.

Have A Beautiful Easter

Oh I pray you have a splendid Easter
Full of hope and joy and love,
Thanking Jesus, blessed Savior
For all that He has done.

May you feel the great excitement
Of this very precious day,
When Jesus gave His very life
To wash our sin away.

May you have a memorable time
With family and friends,
Filled with sweet delight
In all His love extends.

May you wake on Easter morn.
Excited e'er to rise,
In the resurrection life of Jesus
Where all the love abides.

God bless you always

A Special United Service of Confirmation

Will be held at St David's Church Wettenhall

The service starts at 11.00 am

and we will be joined by

The Rt Revd Dr Peter Forster Bishop of Chester

Refreshments will be available after the service

Please come along to support the young people taking the next step in their Christian faith.

What is Confirmation?

Confirmation is a special church service in which a person confirms the promises that were made when they were baptized. If you were baptized at a christening when you were a child, your parents and godparents made these promises on your behalf. As a young person or adult, you may be ready to affirm these promises for yourself and commit your life to following Jesus Christ. At a confirmation service, you make these promises for yourself. Your friends and family as well as the local Christian community will be there to promise to support and pray for you.

The local bishop will lay their hands on your head and ask God's Holy Spirit to give you the strength and commitment to live God's way for the rest of your life.

Worlestone School News

A group of 10 friends including Alex Goodwin, parents at St. Oswald's CE Primary School and local Worlestone residents are training to run the Chester Half Marathon in May 2019 to raise money for Heidi Spencer. Heidi is a parent governor at St. Oswald's and has two boys who attend the school. Devastatingly, she was diagnosed with stage 4 cancer of the lungs and brain and is receiving life extending treatment. Some of this, but not all, is on the NHS and she needs all our help and donations to keep fighting. The link and information is below and I would really appreciate it if you could share this in any way you can.

<https://www.justgiving.com/crowdfunding/helpheidifightchesterhalfmarathon>

Some of our amazing school council from St. Oswald's CE Primary School accompanied Mr Goodwin to Red Shift Radio on Friday 8th March. They were invited to speak on Emily Gearing's Self Help Radio Show and explain what St. Oswald's do to help children with their wellbeing, resilience and general health. They spoke live on air as part of the show and were great ambassadors for the school. They explained what the school does for children's rights as part of being a UNICEF Rights Respecting School. They also talked about some of the on-going curriculum sessions that take place in school to promote children's wellbeing such as : Heartsmart sessions, social skills interventions and resilience workshops.

This year, St. Oswald's CE Primary celebrated World Book Day in style. The children and staff came dressed up for the day in their favourite book character which was great fun. During morning worship, they interviewed various book characters and talked about what their favourite character was and why. Later in the day, the whole school stopped normal lessons and took part in 30 minutes of buddy reading where the older children paired up with the younger children to listen to them read and read to them. We raised over £80 on the day which is being put towards the PTA mile-a-day running track fundraising project.

Scam Alert !!

An ongoing TV Licensing phishing campaign, first identified by the National Fraud Intelligence Bureau (NFIB) in September 2018, continues to be reported to Action Fraud in high numbers. Fraudsters are sending the public fake TV Licensing emails that are designed to steal their personal and financial information. Since April 2018, Action Fraud has received over 900 crime reports with victim losses totalling more than £830,000.

How you can protect yourself:

Don't click on the links or attachments in suspicious emails and never respond to messages that ask for your personal or financial details.

Don't assume a phone call or email is authentic, even if someone knows your basic details (such as your name or address). Remember, criminals can spoof phone numbers and email addresses to appear as companies you know and trust, such as TV Licensing.

Your bank will never call and ask you for your PIN, full banking password, or ask you to transfer money out of your account.

What to do if you've fallen victim:

Let your bank know as soon as possible and monitor your bank statements regularly for any unusual activity.

If you suspect your identity may have been stolen you can check your credit file quickly and easily online. Use a reputable service provider and follow up on any unexpected or suspicious results.

If you have been a victim of fraud or cyber crime, report it to Action Fraud at www.actionfraud.police.uk, or by calling 0300 123 2040. This site is also worth a visit to see what other scams and fraudulent activity you should be aware of.

Public Meeting

On 11th March 22 members of the community in St Oswald's parish came to discuss the future of St Oswald's church. The Vicar began by saying that she and the Parochial Church Council wanted to be honest about the challenges to be faced if the building is to continue to be used to serve the community.

She outlined the successful and strong links we have with the school, and the frequent use of the church for baptisms, weddings and funerals.

The building itself is in excellent condition due to a generous insurance settlement and careful investment of that money, after the serious fire 20 years ago.

Problems arise because the church is kept alive and well by a very small group of people who are not getting any younger, and so plans need to be made to ensure that St Oswald's can continue in its Christian mission to the community.

There were questions and discussion about fund raising, the number of weddings and the timing of services, how the parents of the school children might become more involved, how outside groups might use the building, and how those present might help in the day to day running of the church.

Everyone was invited to write down their ideas, suggestions and comments, and to talk to the Vicar, Wardens and PCC members. There have already been ideas which will need to be discussed and plans afoot to try new things, so many thanks to those who came and contributed to a very positive and worthwhile meeting.

New Orchestra Serving the Shires

For one night the Treatment centre at Leighton hospital was transformed into a mini Royal Albert Hall when instrumentalists from the Shires Symphonic Wind Orchestra presented a concert to the public.

The two conductors were music director Andrew Bassey, a bassoonist and multi-instrumentalist who runs Worleston Music School, and president of SSWO, Dr Timothy Reynish, international wind band conductor and professor at the Royal Northern College of Music.

The wind orchestra began meeting at Leighton Hospital on the first of November 2018, and had already put together a stunning programme for its Inaugural Concert on 2nd March 2019. The audience was 'blown away' by a whirlwind of expressive, contrasting and varied music from the Lyrical Loch Lomond, set beautifully by Frank Ticheli to Danny Elfman's exciting and fast-paced The Simpsons, punctuated with all kinds of humorous percussive effects.

The orchestra was joined by ex BBC Philharmonic orchestra violinist, Shirley Richards, who played beautifully in John Williams' moving Spielberg movie classic, Schindler's List. There was a touching tribute to the NHS given in a poem by Michael Rosen, "These are the Hands...". This was accompanied by a musical piece by Richard Norris, which was composed for the wind orchestra and was performed for the first time at the inaugural concert. Richard Norris introduced his composition, an arresting and poignant tribute to the NHS.

Adam Gorb, head of composition at the RNCM, also attended the concert and introduced two of his lighter works, the hilarious Eine Kleine Yiddische Ragmusik and the fun and mysterious, yet rhythmically challenging Bermuda Triangle.

The concert was in support of the NHS charity, Mid Cheshire Hospitals Charity, and raised over £400 for the Dementia Appeal.

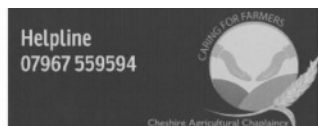

Worleston Brownies

You may be interested to know that we have a Brownie unit in Worleston which was established 4 years ago. During the past 4 years we have been privileged to see several local girls become Brownies and stay with us until they have graduated to either Girl guides or Scouts! We have enjoyed working with our Brownies and watching them grow, develop their confidence and self esteem and mature as confident delightful young women.

Our usual meeting place is Worleston Village Hall on Monday evenings from 6.45 – 7.45 pm during term time only. We also join in with other units for district girl guiding activities in addition to our regular Monday meeting and we sometimes meet away from the hall as part of our programmed activities or invite outside speakers to come and talk to us i.e local police re safety in the community. Currently our numbers are low because several of our Brownies have recently reached the leaving age and so we would be delighted if your daughter would be interested in joining us for a taster session. To be a Brownie with the 1st Worleston Brownies costs just £3.00 a week to cover the weekly village hall rent and activities that we do with the girls. If your daughter is interested in joining us please contact either of us as follows:

Calveley School News

March has been a really busy month once again. We've had a lot of exciting events on at school and the children have enjoyed them all.

World Book Day was a huge success; children thoroughly enjoyed a day dressing up as their favourite book characters. As part of World Book Day and inspiring children in their writing, we have organised a Quidditch Day! This will be led by the official partner of Quidditch UK and the QPL (Quidditch Premier League), Enrich Education. I know children will be very excited about this and will be a great chance for children to try out a sport that they wouldn't ordinarily get the chance to. We are also entering the 'Let's Dance' competition at Crewe Lyceum where combined with pupils from Bridgemere CE Primary School, our children will represent their schools in front of a live theatre audience!

This month is also our Robinwood residential trip at Maes-Y-Nant. Children will take part in a wide range of activities such as archery, caving, rock climbing and canoeing. It is an amazing opportunity for children build their communication and teamwork skills as well.
