Dear Friends

### **“A small, round thing”**

I am writing a couple of days after Storm Ciara tore across Britain wreaking havoc in her wake. Once again, we are faced with the question “What is happening to our weather? Is this what climate change looks like?”

I have also just finished watching a BBC4 documentary about the writings of Mother Julian of Norwich; a remarkable 14<sup>th</sup> Century woman, who committed her life to God following a remarkable recovery from illness. A woman very much of her time, it appears Julian learned to read and write in order to record the extraordinary visions she received from God.

One of the visions recorded by Julian tells how she saw a small, round thing, no bigger than a hazelnut, in the palm of her hand. Marvelling at its smallness, Julian wondered that it could last. Because in its littleness it seemed it would suddenly fall into nothing. Asking God for understanding of the vision, Julian came to see that this small, round thing was the world, *and that it lasts, and always will, because God loves it.*

Concern about the environment and climate change is no-longer restricted to scientists and ‘alternative people’ at the edge of our society. Increasingly, recognising both the way in which we have treated the planet, and the ways in which we can change that are becoming mainstream. Finally, we are recognising that the wonderful planet we are privileged to call ‘home’ is fragile. It is relatively small; a mere speck in the estimated 170 billion galaxies in the universe. A mere dot in the 2,500 solar systems so far discovered in our galaxy.

Recorded around 650 years ago, Mother Julian’s vision is as fresh and significant now as it was when she first wrote it. Perhaps even more so, as we too marvel that the smallness of our world and wonder whether it can survive the damage we have inflicted on it.

Yet scientists assure us that it is not too late. If we can learn to respect our planet, making changes, however small, which respect the world rather than plunder it, there is hope. Perhaps more importantly, there is hope in Julian’s writing and in the record of creation in the biblical book of Genesis.

In her vision, Julian discovered 3 things. First that God created the world, second that God loves it, and third that God preserves it. It is in the discovery that God preserves the world, that the bible calls us to participate; playing our part in ensuring the world continues to remind us of all God has created and of God’s love for us and all of his creation.

Yours in the love of our creator God,

*Revd Anne*

**20th May 7pm start**

22nd July

16th September

25th November 7pm start

**7.30pm start unless otherwise stated and all held in St. David's Church, Wettenhall**

## St David's Patronal Festival

On Sunday 1st March at 11am, St. David's celebrates it's Patronal Festival. We look forward to filling the church with golden yellow daffodils and singing hymns to favourite Welsh tunes as we remember the Patron Saint of Wales and our local church. Everyone is cordially invited to join us for this United Benefice service followed by refreshments.

## Spring Clean

The PCC has set Saturday 7th March as a 'Spring Clean St. David's' date. Volunteers will meet in church at 10am.

## Mothering Sunday

Please join us to celebrate Mothering Sunday or Refreshment Sunday on 22nd March at 11am. There will be the usual abundance of flowers & cake! Everyone is very welcome.

Megan Drinkall	Trudy Tomlinson
Scarlett Swain	

## Darnhall & Wettenhall WI

We had the first meeting of the year on the 4th February. Madam President opened with Jerusalem followed by the business. This included organising celebrations for our 100th birthday & a special church service.

Our speaker for the evening was Chris Prior who gave us a talk on Blood Bikers. What an amazing organisation this is, transporting bloods all over Shropshire, Staffordshire and Cheshire, 24 hours a day, seven days a week. All this is a voluntary service.

The vote of thanks was given by Mrs M Sherry and the raffle was won by Mrs. A Hignett.

## Congratulations

To Darnhall & Wettenhall WI on their 100th Anniversary from all at St. David's! This rural group was one of the very first WI's to be formed. We look forward to welcoming some of the members to celebrate this special event.

## Australian Bush Fires

The PCC agreed to forward the collection from the Holy Communion Service on 9th February towards the fighting fund for the Australian Bush Fires. One hundred pounds was sent with the generosity of St. David's congregation. Many thanks to all those who contributed towards this. Our Prayers go to all those affected.

## Coffee & Cake

The next meetings are on  
Thursday 5<sup>th</sup> March &  
2<sup>nd</sup> April

Times are from 10 am-12 noon &  
everyone is very welcome for as  
little or as long as they wish.

## VE & VJ Days

This year marks the 75th anniversary of these special events in our history. St. David's will hold a service followed by lunch in church on 10th May starting at 11am to commemorate VE Day. On Saturday 15th August there will be an afternoon tea and informative talk given by Mrs. Gillian Summers to commemorate VJ Day. Gillian is the daughter of Brigadier Sir Philip Toosey - 'The Colonel of Tamarkan' and probably best known through the film 'Bridge on the River Kwai'.

Currently there is a remarkable exhibition on display in the Victoria Gallery & Museum in Liverpool depicting the creativity & ingenuity of the British Far East prisoners of war 1942-1945. Entry is free.

## Don't Forget

We put our clocks forward one hour at  
1am on Sunday 29th March.

## Plants and Flowers in the Christian Faith

### Sacred Plants; Daffodils and Leeks For St.David.

St.David's Church at Wettenhall celebrates and commemorates the Patron Saint of Wales. His patronal day is the first of the year for British saints, celebrated on March 1<sup>st</sup>.

St.David has two, very different, plant symbols – the daffodil and the leek. David was born about 500 A.D. in Caefai, Pembrokeshire to a Prince Sant of Cardigan and St.Non, the daughter of a Welsh chieftan. He studied under St.Paulinus in Cardigan and embarked on pilgrimages throughout Wales, Cornwall, Brittany, Ireland and Jerusalem, where he became an archbishop. He spread the word of Christianity, founding twelve monasteries, where monks lived on bread, vegetables, water and milk. Despite the limited diet they undertook all the hard labour themselves, such as ploughing without using animals. David became the Bishop of Mynyw [now St.David's] and died there on 1<sup>st</sup> March 589 AD. He was canonised by the Holy Roman Empire in 1123, at the height of the Welsh resistance to the Normans.

The leek was the first plant symbol of St.David. Two different both of triumphant battles, are said to be the origins of the of the leek on St.David's Day. In the first, David advised Welsh fighting to support the British King Cadwaladr to wear a leek the battle with the Saxons so that they could identify themselves.

legends, wearing warriors during

The second legend concerns a battle fought in a field of leeks between The Prince of Wales [Edward the Black Prince] and the French at the Battle of Crecy in 1346. After the battle the brave warriors wore leeks in their caps on St.David's Day, a legend recorded in Shakespeare's Henry V.

Despite the bravery symbolised by leeks they became a source of caricature of 'Welshness' and another symbol of St.David, the daffodil, was adopted to restore the dignity of St.David's Day during the 19<sup>th</sup> Century. The daffodil, a beautiful bright yellow Spring flower, tends to bloom around 1<sup>st</sup> March each year and was a widespread wild flower in Wales in the 19<sup>th</sup> Century. It was popularised by Lloyd George, who always wore the daffodil on 1<sup>st</sup> March, and more widely recognised following its display at the investiture of the Prince of Wales in 1911. It was a choice made by social trends and has remained a popular symbol to this Century. At this year's Patronal Service at St.David's Church all symbols of his Welsh heritage will be in evidence, but particularly these two plants associated with his life and birthplace. Daffodils will brighten up every window and the faint whiff of leeks will be detected during the prayers!

## **Bishop announces details of safeguarding review**

Work is underway in the Diocese of Chester into Past Cases Review 2 (PCR2), a new national past cases review into the handling of safeguarding files in the Church.

PCR2 has a key focus of listening to survivors who want to come forward.

PCR2 follows on from an earlier review in 2007 and is part of the Church's ongoing scrutiny of its handling of past and current safeguarding cases.

The Bishop of Birkenhead, Keith Sinclair, announced details of PCR2 in a letter to all parishes on Monday 27 January, in which he outlined what parishes are required to do.

Bishop Keith, who leads on safeguarding in the Diocese of Chester says: "We want to ensure that all of our worshipping communities and church-related activities are as safe as possible for children and vulnerable adults. All dioceses have been asked to undertake and participate in this new review process which is known nationally as PCR2.

"It is important that all known cases of concern about the behaviour of clergy and church officers towards children and vulnerable adults have been considered and dealt with appropriately."

All information that is shared as part of PCR2 will be reviewed by an Independent Reviewer and appropriate action will be taken.

All parishes are required to respond to PCR2, which is commissioned by the Church of England and is being carried out in order to make our churches safer for everyone.

Further information can be found on the diocesan website here: [www.chester.anglican.org/pcr2](http://www.chester.anglican.org/pcr2)

### **Listening to survivors**

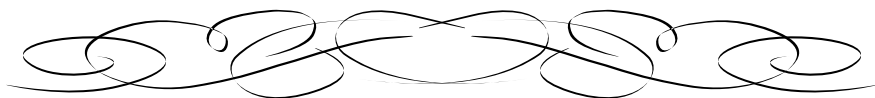

Individuals who wish to make representations to the PCR2 process, or who need to come forward with information or make any disclosures regarding church-related abuse, are encouraged to make direct contact with the Diocesan Safeguarding Adviser, Pauline Butterfield, on 07703 800031, or call the dedicated telephone helpline - 0800 80 20 20 - operated independently from the Church, by the NSPCC.

## Letter Received From RABI

Dear Anne,

I am writing to thank you very much for the kind donation of £282.60 following the hugely successful Plough Sunday Service at Reaseheath College on Sunday 2<sup>nd</sup> February 2020. The event goes from strength to strength every year and it's a real joy to see so many different members of the agricultural community together. The money raised will go directly towards supporting farming families in Cheshire where so far this year R.A.B.I has spent over £114,000

It has been a very trying year for all sectors of the agricultural industry which in recent times has been exacerbated by the collapse of Tomlinson's and the dreadful flooding we are currently experiencing which is causing problems on the farm for many. Last year nationally £2.8 million has been given in grants to help all individuals who find themselves in unfortunate circumstances across England and Wales

Please pass on my appreciation everyone involved in the planning and organisation of the service. Many thanks once again.

Yours Sincerely,

Georgina x

Georgina Lamb.

R.A.B.I Regional Manager North West.

## Worleston School

### Thank you to our PTA

A big 'THANK YOU' to our amazing PTA parents who have helped to raise the money for our lovely reading area sofas. The children love using them to sit and read their favourite book. All those discos, movie nights and Fetes really do help to provide lovely resources for our children.

### Year 5/6 Local Area Study

The Y5/6 Foxes have had a lot of fun this week undertaking geography fieldwork. We developed our map reading skills, compass directions and may have got a bit muddy. A huge thank you to all our parents for being so supportive and providing welly boots.

## Calveley School

January was a very busy month here at Calveley Academy. Our fantastic football team were thrilled to represent Crewe and Nantwich in the county football finals. The children all played their best and worked brilliantly as a team. Unfortunately, we were knocked out in the semi-finals, but we are very proud of our children for being the 3rd best school football team in the entire county! A very impressive achievement for our wonderful small school.

We have also celebrated Chinese New Year by taking part in lots of different activities. The children were able to learn more about this special event by exploring Chinese dances and painting vases and plates. They also learnt how to write numbers in Chinese and solved maths challenges. We explored the history of Chinese New Year, learnt about the different animals, and discussed how people celebrate all over the world. Mrs May, our school cook, prepared a delicious Chinese buffet which was enjoyed by children and staff alike. What a great start to the year!
