

St David's Wettenhall & St Oswald's Worleston April 2020

**The Cross Country Parishes
of
Acton, Church Minshull,
Wettenhall & Worleston.**

Dear Friends,

We are living in strange & uncertain times. As I write this, new information & guidelines are being issued on a regular basis from the Government & the Church of England with regards to the coronavirus. We are required to either wash or gel our hands as we arrive in church. During the Holy Communion service, only the Vicar will drink from the chalice but we will continue to share in the bread. The shaking of hands during 'The Peace' is suspended until further notice.

The Church of England has also advised us not to continue with any catering, including teas & coffees. This will affect our Maundy Thursday Supper (although not the service), and our Coffee & Cake meetings for the time being. There is also rumoured to be a ban on mass gatherings in the near future, although I doubt that will affect our Sunday services!

All these things are sensible steps designed to protect as many of our congregation and our community as possible. Having said all that, we must keep things in perspective and as the famous quote says 'Keep Calm and Carry On'. It's at times like this that we need to remember our loved-ones but also to remember that we are part of a much larger family. There are many people in our communities who live alone and have no-one to share their worries and their concerns. The telephone is a vital lifeline for many. A friendly & reassuring voice can make all the difference when so many social activities are being curtailed. A listening ear is often all that is required. As Christians, we are very much aware that there is always a listening ear open to us. The power of prayer is not to be underestimated, whether we are gathered in church or sat quietly at home. As we gather to celebrate Easter this year, may we be uplifted and encouraged, knowing that we belong to the One who defeated the powers of death & lives for evermore. May we be aware of the presence of the Risen Christ in our lives through the good times and the bad. However uncertain things might feel, the one certainty is that we are **never** alone.

May God bless each and every one of us this Easter time,

Ann

Palm Sunday

On 5th April, Sharon will bring Holly to the Palm Sunday service which begins at 11am. Holly reminds us of the week before Easter when Jesus travelled into Jerusalem on the back of a donkey. We are very grateful to Sharon & Phil as they prepare Holly for her big day out.

Condolences

We were deeply saddened to learn of the death of Alan Williams at the end of February. For many years Alan has transported Holly the donkey to St. Oswald's & St. David's on Palm Sunday. Alan willingly gave of his time and his expertise in safely leading Holly through the two churches to re-enact the Palm Sunday procession. He was a good friend to many people and will be greatly missed. We extend our deepest sympathy to his family.

St David's Patronal Festival

It was lovely to welcome our friends from the Cross Country Parishes who joined us in
celebrating our Patron Saint on March 1st.
The church looked beautiful, as the windows of daffodils
reminded us that Spring is on the way! Thank you to
everyone who helped to make the event so very special
with beautiful floral decorations & an array of delicious
refreshments!

Darnhall & Wettenhall WI

Our meeting was held on Tuesday 3rd March, beginning with Jerusalem & continuing with the business. We discussed our 100 year birthday celebrations. Our speaker for the evening was Mr Richard Strachan who gave a brilliant talk about the Neighbourhood Plan in Darnhall. He also spoke about the old corn mill which was originally a double water wheel. The meeting ended with Marjorie Sherry giving the vote of thanks and the raffle was won by Brenda Bell.

While every effort will be made to hold all events, services & celebration published in this magazine, please be aware that under the current situation, events may have to be cancelled, possibly at short notice or even without notice. Faustus

A European folktale tells the story of a German alchemist, living in the 16th century, who made a pact with the devil. For 24 years he would have everything he wanted but at the end of that time the devil would claim his soul. The devil, according to the tale, kept his promise and for 24 years Faustus enjoyed fame, knowledge and the satisfaction of every desire. But the years rolled quickly by & Faustus was gripped with terrible foreboding as the end drew near. On his last night he met a fearful death as the devil claimed his soul for damnation.

An artist committed this tale to canvas. He depicted Faustus and the devil playing chess and he entitled it 'Checkmate'. The game is over and the devil has won. He gloats across the chess table at the doomed Faustus whose face is rigid with terror. The picture hung in a gallery and many people came to see it. One day a chess master came to view it. He gazed at it intently and then exclaimed "It's a lie! The game is not over! The king has another move!" The chess master noticed that Faustus still had his king. The king can yet bring victory out of seeming disaster. Jesus when he hung upon the cross appeared to have been defeated by the powers of evil and his enemies seemed to have won & were jubilant. He was gone! He was dead! He was buried! He would soon be forgotten. But they were all wrong! The game was not over! The King had another move! The King of Heaven raised His Son Jesus from death, to live forever in the power of an endless life.

Christians have been celebrating this great event for over 2000 years! We do so every Sunday in worship and praise, not just remembering an event from long ago but celebrating the fact that in 2020, in all our lives, in every difficulty, in every need, in every heartbreak, in all of life's darkest hours our King, Jesus is with us. And He always has another move!

Please join us to celebrate the amazing good news of our risen King this Easter,

Plants and Flowers in the Christian Faith

Sacred Plants; Thorns

At Easter Christians read Bible accounts of Jesus' crucifixion and the mocking gesture of the Roman soldiers in placing a 'Crown of Thorns' on his head as part of his humiliation. They demanded to know if he was 'The King of the Jews'.

There are many legends about the plants that may have been used to create the crown. In Palestine there are many thorny shrubs and trees which could have been used for the crown, so the exact species may never be truly identified. A plant from Madagascar, the thorny euphorbia [*Euphorbia millii*] is known as the 'Crown of Thorns'. It had already been taken to the Middle East before the time of Jesus' life and has thorny, pliable stems that could be woven together to create a crown.

Nearer to home a hawthorn known as the 'Glastonbury Thorn' grows on the Hill at Glastonbury and blooms twice yearly, at Winter and Spring. It is said to have been brought to England by Joseph of Arimathea, who gave his own tomb for Jesus' body when it was removed from the Cross. It is said to have grown from Joseph's staff, pushed into the ground, or from a thorn taken from the Crown of Thorns. Each year, on

December 8th, it provides a branch which is given to the Queen as part of her Christmas celebration. On that date in 2010 the tree was severely damaged in an act of vandalism, a source of anguish for the local people who had protected the tree for decades.

There are many relics around the World which are said to be from the Crown of Thorns worn by Jesus. One relates to a crown taken from Jerusalem to Constantinople around 1063. It was eventually purchased by King Louis IX of France [later known as Saint Louis], and taken to Paris in 1238. There he built the Sainte Chappell to house the relic, but it was eventually transferred to Notre Dame Cathedral and kept in the treasury. It survived the terrible fire in April 2019 and continues to be displayed on Fridays during Lent.

Thorny plants are symbolic throughout the Bible. When Adam and Eve fell from Grace in the Garden of Eden part of the punishment for humanity was that the Earth would bring forth thorns and thistles. In placing a crown of thorns on Jesus' head the soldiers were mocking his status in relation to a monarch with power, status and glory. However, inadvertently, they were reflecting His identity as a King of Kings, who would rise from the dead to be immortal, something that every Christian reflects upon at Easter.

Coronavirus & The Church

It is with sadness that we have had to follow the advice of the Archbishops of Canterbury and York and cancel all services and social gatherings connected with the church, perhaps at a time when you need the comfort and support of the church more than ever. We will be working hard to keep you up to date and the possible introduction of online streaming of services. In the meantime the Church of England already offers a range of online services which can be found at <https://www.churchofengland.org> under the Our Faith & the Prayer & Worship tabs.

BBC Daily Service

A daily Service can be found on Radio 4 on FM LW DAB and the BBC Sounds App the service is at 9:45am every morning on the following Frequencies:

FM 92-95 FM, 103-105 FM

LW 198

Prayers for this difficult time

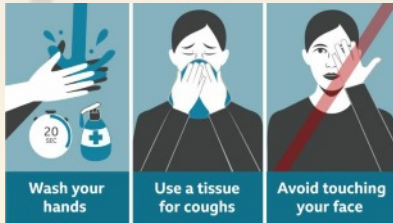

Keep us, good Lord,
under the shadow of your mercy
in this time of uncertainty and distress.
Sustain and support the anxious and
fearful,
and lift up all who are brought low;
that we may rejoice in your comfort
knowing that nothing can separate us
from your love
in Christ Jesus our Lord.
Amen.

God of compassion,
be close to those who are ill, afraid or
in isolation.
In their loneliness, be their consolation;
in their anxiety, be their hope;
in their darkness, be their light;
through him who suffered alone on the
cross,
but reigns with you in glory,
Jesus Christ our Lord.
Amen.

At this point in time it is difficult to give you any clear information of what we face and what we can do in the coming days and weeks. We know there are a number of support groups being set up in the area, but at time of going to press we haven't got details to give you.

Talks are ongoing to arrange for the churches to be open through the day to allow people who feel the need to pray and reflect, without gathering en masse, we will notify you in whatever way we can when arrangements have been made.

Please do whatever you can to help the more vulnerable amongst us. Whether it be a bit of shopping or just a phone chat with those in Isolation.

Prayer For the Christian community

We are not people of fear:

we are people of courage.

We are not people who protect our own safety:

we are people who protect our neighbours' safety.

We are not people of greed:

we are people of generosity.

We are your people God,

giving and loving,

wherever we are,

whatever it costs

For as long as it takes

wherever you call us.

As it says in Psalm 46:

“God is our refuge and strength, an ever-present help in trouble.”

Worleston WI

Worleston WI started the year again with the Drama Group entertaining members and guests, once more, to a Murder Mystery play.

To confuse matters 'The Murder' took place during the final dress rehearsal of the Pantomime Aladdin.

'The Pantomime Actors' were dressed in their costumes and ready to start rehearsing when they are told of the sudden and suspicious death of one of their members, Harry Stoke-Ratt, a local builder and avid supporter of the pantomime.

The play has the players talking amongst themselves, between rehearsing the four acts of the pantomime.

This might have been a little confusing, so during the pantomime the actors wore their costume hats.

The Pantomime was adapted written in verse by one of the cast and between the acts in the pantomime, conversations and accusations between the cast highlighted subtle clues to the identity of the killer.

It was up to the audience then to decide 'Who Done It and Why They Did It'.

There was no outright winning team so the prize of chocolates was shared amongst the audience.

It was a real fun night for all concerned.

Calveley School

This month we have celebrated World Book Day and our love of reading.

For World Book Day we all dressed up as our favourite book characters. There were some amazing and inventive costumes, and it was great to see the children so excited about reading. Throughout the day the children shared stories with each other. They also took part in a book quiz to test their literary knowledge.

Class 1 and 2 children visited Nantwich Library together to explore all the wonderful things our local library has to offer. We took

part in a book quiz, made bookmarks, learnt about the library and read stories. The children all behaved amazingly and were fantastic representatives of Calveley Academy. We were extremely proud of them!

Lend a helping hand for St Luke's

Are you happiest when you're busy, do you enjoy working as part of a team, and love the sense of satisfaction from helping others? We have the perfect opportunity for you!

St Luke's has a new shop on Market Street in Crewe and is looking for volunteers to lend a helping hand.

There's a role to suit everyone including sorting donations, steaming clothes and serving on the till.

Not only will you find it really rewarding to know that you're helping to raise money for patient care at the Hospice, but you'll also make new friends.

Flo has recently started volunteering at the shop and loves being part of the team there. She said: "I'm retired now so it gives me something to do and a reason to get out of the house. Plus it's also the perfect place to meet new people and make new friends.

"It's important to help others, however you can, and it's important to me to know that I've done something to help the work of St Luke's."
