September 2020

**The Cross Country Parishes  
of  
Acton, Church Minshull,  
Wettenhall & Worleston.**

**Dear Friends,**

## **A Kind of Resurrection**

At the start of lockdown, the Bishops in the Church of England wrote about lockdown being a kind of long 'Holy Saturday'. Holy Saturday is the day between Good Friday and the Resurrection. It is an in-between place; a place of waiting and not knowing. Depending on our experience of lockdown (and each of our experiences will be uniquely different), for some, the experience of lockdown and coronavirus will feel more like an extended Good Friday.

Whatever our experience of lockdown, or the coronavirus pandemic in general, we have reached a point where a kind of resurrection is taking place. However slowly and haltingly, we are finding our way out of lockdown and returning to some kind of life beyond our front doors.

It isn't the life we knew before lockdown, but it is a wider experience of life than we have known for some months. We might describe it as a kind of Resurrection. That may seem a strange comparison when we more readily think of the Resurrection of Jesus as an instant, triumphant, move from death to life. Of course, for Jesus, Resurrection was a single, decisive victorious defeat of death. Yet the accounts of Resurrection Morning in the four Gospels tell us that for Jesus' followers, Resurrection Morning was rather different.

Exhausted and grief-stricken, the disciples' experience of Resurrection Morning was anything but a swift, triumphant move from Good Friday to Easter Day. There were moments of understanding. John stood in the empty tomb and understood... and then fled for home, too terrified to tell anyone the good news. Mary Magdalene was so grief-stricken she failed to recognise the risen Jesus through her tears and the disciples who met Jesus on the Emmaus Road spent quite some time in his presence, all the while thinking the risen Jesus was a stranger to Jerusalem.

The disciples' experience of Resurrection morning was every bit as fearful, confusing and halting as our own journey out of lockdown as we learn to live alongside COVID-19. That does not mean Resurrection is not real. Life after Resurrection looked very different to the disciples, just as life after lockdown looks different to us. It will take us time to come to terms with what has happened, and get used to it. We will be confused, fearful and apprehensive, but we can still move slowly towards something new and positive.

I want to end with some words spoken by Vanessa Redgrave as the narrator, 'the older Jenny' at the end of the final episode of Series 9 of *Call the Midwife*.

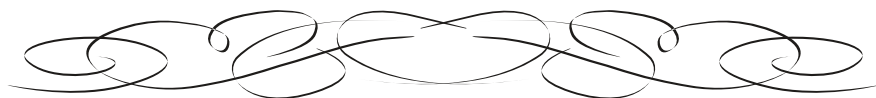

*"The world shifts around us, and we shape ourselves to fit. Imperfect and beautiful, wounded and thriving, delicate, invincible, for ever moving on. Time is not the tide. It moves in only one direction. Go forth in courage and in hope. Change is not loss. We must run with it. Dance with it. Give it all we have."*

With my prayers as we continue to find our way in a changed world,

*Revd Anne*

### Thank You

A huge **Thank You** to **Chris & Heather Pope** for setting up the Cross Country Community WhatsApp group. This has provided Sunday services, information & much needed support over the past few months. **Thanks** also to those who volunteered to collect prescriptions & shop for those who were self isolating.

### Mobile Library

We currently have no dates for the return of the mobile Library service.

### St.Davids shows its appreciation to the NHS

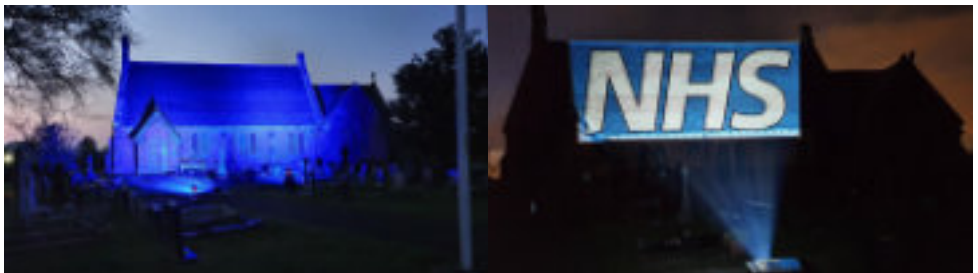

Over the past few months we have seen various portrayals of appreciation to "Our NHS" with buildings across the country lit up in recognition of the hard work and extreme sacrifice the key workers and NHS staff have performed during the Covid 19 Pandemic. St.Davids joined in with this appreciation by being lit up in blue to say our thanks to these wonderful caring people.

### Condolences

It is with great sadness that we learned of the death of **Mrs Ruth Brooks** of Village Farm on April 30<sup>th</sup>. Ruth always gave us a warm welcome on our Rogation Sunday Walk, and she enjoyed taking part in the traditional short service at the farm. Ruth was laid to rest in St David's Churchyard, reunited with John, on 15<sup>th</sup> May. We extend our deepest sympathy to Susan, Sandra, Roger & all the family.

Condolences also to the family & friends of Frank Woodward, formerly of Woodside Farm, Wetenhall who died on May 7<sup>th</sup>.

Our thoughts and prayers are with all those who have been bereaved during the past few months.

## Sacred Plants ; The Rose

This small series of articles resumes with the sacred symbolism of the rose, and what could be more beautiful and restorative than a rose? Roses appear as symbolic flowers from the time of ancient Greece, where they represented the eternal love between the gods and humans.

Today the rose features in all the major religions, with Muslims believing that the rose represents the human soul and for Hindus and Buddhists the rose is a symbol of spiritual joy. The scent of roses in the air a sign that angels are bringing messages from God to Earth, and the Catholic faith terms it the odour of sanctity.

The rose is widely said to represent the Virgin Mary 'The Rose Without Thorns'. God is said to have placed thornless roses in the Garden of Eden, which developed thorns in response to human sin. When God redeemed the World, with the birth of Jesus to the Virgin, she became symbolised with the thornless roses of Eden. One of the most

famous miracles, associated with Mary, is the miracle of Our Lady of Guadalupe. In 1531 Mary is believed to have arranged roses on the clothing of Juan Diego to create an image of herself in the form of an angel. Seeing and hearing about this image resulted in millions of South Americans coming to Christianity.

We are familiar with the term 'rosary' in Christianity. The term means 'crown of roses' and symbolises offering prayers to Mary as a bouquet of roses. The beads known as a 'rosary' are held during prayers to focus the mind onto the circle of prayers and the miracles associated with Jesus' life.

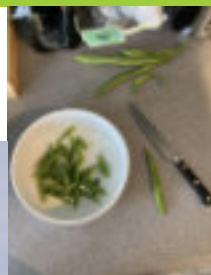

Here in Cheshire the soil is ideal for roses, and we can create our own slice of Eden. The Ispahan rose is a Damask rose, originating in the Persian [ Iran] city of Ispahan in the 13<sup>th</sup> century. It is known for its strong, sweet perfume and silky pink colour. What could better represent Mary and uplift us more during this strange year?

## The CCC – Outreach whilst we all stay in

Early in the initial stages of the lockdown, there was seen the need within the Cross Country parishes for some form of church community group – a means by which we could all stay in communication whilst obeying the rules of the government lockdown. Rev Anne came up with the idea of an on-line group accessible to as many of the parishioners as possible, but also being open to anyone who would like to join in. So, a new WhatsApp group known as the Cross Country Community, or CCC for short, was born. It not only gave a voice to the community but allowed us to join in Sunday worship. Our first Sunday Service was posted on the 29<sup>th</sup> March – the first Sunday after the lockdown was announced, and was quite a simple affair comprising of a few hymns and a sermon from the Rev Anne and an odd video of a couple drinking tea and eating biscuits. This Sunday service has developed into a regular weekly event with more contributions from local people, including Isabelle Edwards, Lucy Bowes as well as the Rev Anne, Rev Donald and Brenda and Isobel Burnley, Canon John Malbon. It has become a firm favourite amongst the members of the CCC. The group has regular daily updates and contributions from a wide range of contributors – some posts are informative whilst others are put up to bring a smile and a ray of sunshine to what has been a dark and difficult time, and we all love seeing the many and varied messages, photos and videos. The CCC has enabled the Cross Country Parishes, along with many members of the community, to feel that they are not alone during this time of social distancing. It has been a small, flickering light in a sea of darkness.

The CCC Sunday services will continue for those who cannot attend, or feel vulnerable attending, a church building for a service.

Thanks to all who have contributed to the CCC – it has, and continues to be, our **outreach whilst staying in**.

If you know of anyone who would like to join the CCC please pass on this contact and mobile number (note: you will need to have access to a mobile device running the WhatsApp application – we can offer instruction and advice should anyone require this) Contact : Chris Pope, Tel: 07771 684000.

### Notices

#### Annual Parochial Church Meetings

The Diocese of Chester has given special permission for Annual Church Meetings to be extended until 31st October 2020. The election of Churchwardens etc. will be carried out as soon as a suitable date has been fixed.

#### Harvest Festival 2020

Along with most other events this year, Harvest Festival celebrations will need to be very different, if at all possible. To remain Covid-secure, there will be no hymn-singing, mandatory face-coverings, minimal floral decorations and unfortunately, no supper. It may also be necessary to ask parishioners to book in order to ensure social-distancing. At the time of going to press, the details of a Harvest service have not yet been finalised. Please listen out for information during the services in early September.

### A Northumberland Blessing

May the peace of the Lord Christ go with you,

Wherever He may send you.

May He guide you through the wilderness,

Protect you through the storm.

May He bring you home rejoicing

At the wonders He has shown you.

May He bring you home rejoicing

Once again into our doors.

## Stay Aware, Stay Safe

Unfortunately in these already difficult times, staying safe is not just about observing social distancing, wearing masks and keeping our hands clean. We also need to be ever vigilant with regard to emails, phone calls & text messages. The unscrupulous out there see Covid 19 as just another vehicle to exploit, to steal from us.

I was reading an article last night saying that gmail, last week alone stopped 18 million Covid related scam emails from getting through. That is one email provider think about how many others there are. There have been reports of people being phoned and told they have been in contact with someone who has tested positive and that they need to be tested and put on the track and trace scheme, they are then asked to give card or bank details for a payment to get the necessary information pack, there is no such pack. Others have received text messages saying they are due a tax refund or some other form of relief payment, just fill in your bank details and the payment will be made. The only payment made will be them emptying your bank account in to theirs.

### Simple Rules to Follow.

**Don't** click on links in emails or social media unless you are 100% sure it's genuine, even if the sender is 'known' to you (email addresses of friends and businesses are easy to spoof), check by a separate phone call, that the email is genuine.

**Don't** give bank or card details to someone who phones you.

**Don't** click on links in text messages.

Follow the mantra of Watchdog "If it's out of the blue, it's not for you".

**Stay Safe**

- That the first James Bond films were funny
- What 2 metres actually looks like
- That we won't be ill if we use up that tin at the back of the cupboard dated 2017
- How to use the Cross Country Community WhatsApp
- How to make a face mask
- That I don't want to go on Facebook or Twitter
- That the hairdresser is an important person in my life
- That I miss church

### Calveley School

We wish every success & happiness to the ten pupils who left Calveley at the end of the Summer Term. They were each presented with a copy of 'Diary of a Disciple' on behalf of St. David's Church. Our best wishes go with them as they begin their Secondary education.

The Staff & Governors have worked very hard to make sure all the pupils have been well-cared for and supported over the last few months. Thanks to the staff who made frequent telephone calls to check on the well-being of pupils who were unable to return before the end of term. They were greatly appreciated and helped the children feel connected to their school during such a strange time.

**Our best wishes to everyone as they begin the new term on Friday September 4th.**

### Worlestone School

#### The story of St. Oswald's during the last few months:

We have been so proud of our whole school community over the past few months where the majority of our children have had to stay at home. We have kept the school open throughout the Pandemic to look after our 'superhero' children who are children of our key worker parents and they have been coming to school every day.

The children (and parents) have been extremely resilient to keep going with all the home learning and creative and imaginative things they've been doing at home and we have been in regular contact with each other through the weekly newsletter, emails, phone calls, sharing lovely photos as well as a whole school worship assembly with Mr Goodwin via zoom. I think all the staff, children and adults have become experts on using zoom and it has been so lovely to be able to speak to the children and see their lovely smiling faces. We are very excited to be opening our school doors again to all our children on Wednesday 2nd September when we have lots of fun and exciting activities planned for them to help them settle back into the routine of being back at school and a chance to see their friends, play laugh and learn.
