

St David's Wettenhall & St Oswald's Worleston November 2021

**The Cross Country Parishes
of
Acton, Church Minshull,
Wettenhall & Worleston.**

Dear Friends,

Have you noticed that recently special days have become special weeks, even special months? You can think of lots of examples: Red Nose Day, World Book Day, Christian Aid Week, Stoptober, Dry January, Carer's Week... and many more. In the Church, November could be called Remembrance Month. It starts on November 1st with All Saints Day, when we remember those important people who have the title "Saint". November 2nd is All Souls Day which is our day to remember people who have died and are significant even if we wouldn't call them saints. They are important and dear to us, family and friends. On the 11th of November, or on the Sunday closest, we have Remembrance Sunday to remember those who have died in war and conflict.

Possibly the one we forget about is every Sunday when a Communion Service takes place, when we hear those words, "Do this in remembrance of me". Remembrance in this context is special because it means bringing into the present what is important about the person, Jesus, we are remembering.

Of course, there is another act of remembrance, on November 5th, many people will celebrate Bonfire Night remembering the Gunpowder Plot. November 5th also happens to be a special day for me. It's the anniversary when I remember my last service as vicar of the Cross-country Parishes, at Acton, fifteen years ago. I always said I would go out with a bang! The last hymn of my last service was "In Christ alone my hope is found." The final lines are, for me the most powerful:

*"No power of hell, no scheme of man,
Can ever pluck me from His hand:
Till He returns or calls me home,
Here in the power of Christ I'll stand."*

I think as Christians, that is a call to all of us to continue to stand, remember and make real the power of Christ in our world.

Emma & Ashley Walton

Darnhall Brownies

Some of the girls dressed as women they look up to..... These included Florence Nightingale, JK Rowling, Emma Raducanu, their teachers and members of their family!

The girls also created some beautiful Autumn Collages for the September All Age Service.

Harvest Service & Supper

Thankfully, the annual Harvest Festival & Supper resumed this year. The service was led by Ann Nicholas and it included a very interesting talk by Helen Rutter on the work of the Agricultural Chaplaincy and the way this organisation supports the farming community - especially during these difficult times. Its good to know that a caring organisation is looking to provide much needed support to our farming families.

The service was followed by a meal, provided by John Major and expertly dished out by both John and his budding assistant, Audrey Howard. Desserts were courtesy of the "ladies who do" and it was so nice to be able to sit and chat to our numerous friends at St.Davids again.

A huge thank you to all those who contributed to this wonderful and popular evening.

Sacred Gardens: The Garden of Gethsemane

We are getting closer to Christmas now, with the birth of Jesus and the start of his Earthly life, but that life came to a cruel end in the Garden of Gethsemane and started the growth of the Christian faith across the World. The Garden of Gethsemane translates as a

garden with an olive press and is located at the foot of the Mount of Olives, a hill across the Kidron Valley from the Old City of Jerusalem. It is said to be an area well known and visited by Jesus and his disciples, a shaded grove of olive trees in which to meet, rest and discuss their ministry. That may be the reason that Judas chose to betray Jesus close to the Garden, he knew where Jesus and the inner circle of disciples, Peter, James and John would go after the betrayal. In the Garden Jesus was said to be deeply distressed and knelt to pray for the relief of his anguish and agony. The olive press may even symbolise the pressure bearing down on him in the final hours of his life. The stories of Jesus's final hours, the pathway taken as he made his way to the site of crucifixion, and the prayers in the darkened olive grove led to the site becoming an area of pilgrimage in the early years of the Church. By the year 333 an anonymous 'pilgrim of Bordeaux' recorded his experiences as a Christian traveller in the Holy Land. The Garden of Gethsemane became more well known as

various Holy Wars spread across the Middle East and Europe. In 1681 three Croatian knights of the Holy Order of Jerusalem, Paul, Antum and James, purchased the Garden and donated it to the Franciscan community. They still own it now, the donation recorded by a plate on the entrance to the land.

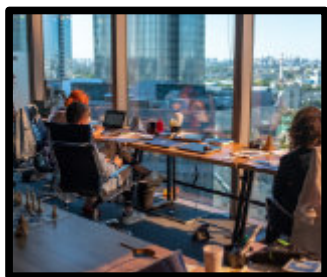

The Garden is walled around the area of the Church of All Nations. In 2014 an archaeological survey determined that the foundations were those of a 1,500 year old Byzantine church and included a ritual bathing site. A floor inscription said that the church was for the 'Memory and repose of the lovers of Christ' There are four different holy locations, claimed by different Christian traditions, within Gethsemane. The Catholic Church has the Church of All the Nations, said to be built over the Rock of Agony where Jesus prayed. The Eastern Orthodox tradition claims that the Kidron Valley is also the location of the Tomb of the Virgin Mary before she ascended to

Heaven. The Greek Orthodox Church honours the Eastern slopes of the valley, while the Russian Orthodox Church believes that Jesus prayed in the area of the Tomb of Mary Magdalene across the valley. Wherever the exact location of Jesus' agony it is remarkable that we can still visit the Garden of Gethsemane to feel so close to him and the disciples in their fellowship and ministry.

Advent in your Pocket

Throughout the past two years we have had worship and lots of sharing of information and news on our Cross Country WhatsApp Group. It has been an important part of my spirituality especially when our churches were closed. Recently I have had a major operation and once again our CCC Worship has become a link to our Church family while I haven't been able to drive. It got me thinking, the app is so easy to call up, how could we use it more?

Advent is perhaps the most overlooked season in the Church's year. We focus on getting ready for Christmas in those four weeks before celebrating the coming of Jesus and perhaps miss out on the great and wonderful ideas and themes we could be thinking and praying for. Do we think about how we make a straight path of prayer and Bible study, so we develop our understanding and closeness to God as we prepare to welcome his only Son? Look out for a moment of stillness each week, on the CCC WhatsApp. It will be put out each Monday of the Advent season. We will travel with the Old Testament Patriarchs, then the Prophets like Isaiah, John the

Baptist and of course, Mary his mother. There will be a reading, reflection, questions to consider and talk about with family, prayer and practical actions to turn your thought into something solid as we journey to Christmas. The materials are created by *Embrace the Middle East*, who also produce the well-known Bethlehem Carol sheets and services. If we spend time with God, then perhaps our hearts and minds will be more open to welcome Jesus at Christmas.

If you wish to know more about Embrace the Middle East look at the website **embraceme.org**

Cheshire East Community Governance Review

Cheshire East are currently holding a 12-week consultation on proposals for the governance arrangements for town and parish councils in the borough. The Community Governance Review draft recommendations report makes a series of proposals, with accompanying maps; Wettenhall and Cholmondeston Parishes form part of this consultation and residents are encouraged to participate.

Cheshire East considers that the current grouping arrangement probably serves no practical benefit to the parish council or to the community and electors.

The Borough Council considers that a parish of six councillors is at risk of being unable to conduct its business, therefore favours the view of the National Association of Local Councils that a preferred minimum number of seats on a parish council is seven. It is therefore proposed that the total number of seats on the new parish council be increased from six to seven.

Wettenhall 4 Councillors (increase of +1) Cholmondeston 3 Councillors (no increase)
A name for the new parish should be considered, and the Borough Council welcomes proposals on this point.

The Council also requests comments on whether the new parish should have the style of 'parish' or one of the alternative styles that the Council may recommend where a new parish is being created: 'community', 'neighbourhood' or 'village'.

The public consultation started on 6 September. The consultation ends at midnight on 28 November 2021. Paper copies of the consultation can also be obtained from local libraries. For any queries about the survey,

email: communitygovernancereview@cheshireeast.gov.uk

Further information can be found on the press release with which provides more detail <https://www.cheshireeast.gov.uk/council-and-democracy/council-information/media-hub/media-releases/council-to-launch-consultation-on-community-governance.aspx>

Worleston School

St. Oswald's Worleston School opened its gates for the start of the new academic year at the beginning of September and getting used to a bit more normality in school. We have been able to burst the class bubbles and now have one big school bubble allowing more mixing of the children which has been lovely. The school have enjoyed reverting back to whole school daily worship in the school hall where the children and staff have been able to gather and have time to reflect each morning. The singing has been the highlight and having all the children and staff singing together in one location has sounded far better than doing it over zoom which has a habit of being unreliable in school! The children and staff have all come back refreshed after a long summer break and are ready to embark on an exciting year. So far in school we have had our broad and rich curriculum teaching resume as well as baking, yoga, football and drama happening. The classes have been busy electing their peers to form the next School Council as well as the Ethos group. These are both groups of children who help St. Oswald's Worleston continue to flourish. Being able to be back together again as a school family has also meant we can resume our buddy system which is where the oldest children in our school of 10 and 11 years old buddy up with the youngest of 3 and 4 years old. This buddy system is very powerful in creating a Christian family environment as well as helping the younger ones get in some of those valuable reading miles!

Owls Class:

Owls Class is our Nursery and Reception children who have settled in so well to their start to St. Oswald's. They stole the show at the school Harvest Service when they came dressed as sheaves of corn and a 'Big Red Combine Harvester' and sang so beautifully in front of the whole school and their parents.

Deers Class:

Deers Class are our Infant children at St. Oswald's who have been working hard with their Autumn poetry and producing some lovely verses about Autumn using all their senses to describe how it looks, smells, sounds and feels.

Hedgehog Class:

Hedgehog Class are our youngest junior class of children (Year 3&4) who have been involved in a very tense Times Table Rockstar battle which is an online times tables game that involves an element of competition. The children did so well and all came dressed as rockstars to celebrate their successes in the Times Tables Competition.

Foxes Class:

Foxes Class are our oldest children at St. Oswald's (Year 5&6). They have been fortunate enough to have been chosen as the first groups to do some baking this term with our adult volunteers who come into St. Oswald's Worleston CE Primary School on a Thursday afternoon to teach them these important life skills. Over the past few weeks various groups have been making some delicious cupcakes.

Whole School Astro-Turf Track Completed

The PTA of St. Oswald's CE Primary raised a huge amount of money over the pandemic to have an astro-turf running track built around the perimeter of the school field. This is going to be a huge help to keep the children active all year around, to take part in the daily mile and help with their mental wellbeing even when the rest of the school field is water logged and out of bounds. The track was completed in late September and opened by the Cheshire East Mayor (Cllr Sarah Pochin) who very kindly took time out of her busy schedule to visit St. Oswald's and cut the red ribbon with our Head Boy and Head Girl.

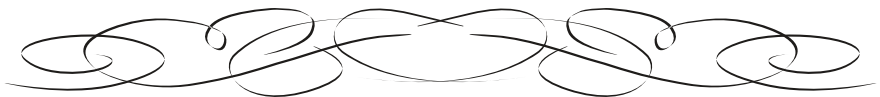

Calveley School

Nursery and Reception have been reading 'Joey and the Deep Dark Hole'. Joey lost his favourite toy in the hole. We brought our favourite toys into school this week and shared them during show and tell. We enjoyed talking about our favourite toy and answering questions.

We have also been learning all about Autumn, we went on an Autumn walk and collected leaves and acorns from the school grounds.

Children in years 1 - 6 have been really enjoying their weekly swimming lessons! It has been great to see the children growing in confidence each week and having fun in the water. The children took part in Hello Yellow Day to celebrate the World Mental Health Day.

The children all dressed in yellow and wore bright yellow sun glasses. Thank you to all the families and local businesses who donated fabulous raffle prizes and helped us to raise £172.20 for Young Minds.
